Office of the Dewan of Mysore.

NOTE.

Dated.....21st March.....*191*6.

I understand that the buildings in Mysore are approaching completion. The manner in which each is to be utilised, the rules to be observed in their use and the establishment to be employed should all receive consideration and proposals submitted early.

2 Mr. T.G. Lakshman Rao, President of the Mysore City Municipality, and the Executive Engineer, Mysore Division, will also help in the matter. The Chief Engineer and the General Secretary are the officers most concerned. The General Secretary will be good enough to examine previous correspondence and notes on the subject and assume responsibility to get this matter settled within a month. Whatever questions can be

(i) settled at once may be so dealt with

(ii) and a memo of points furnished which may require settlement thereafter.

28 The most important point is that the buildings should be made available for the use of guests and Members of the Economic Conference during the ensuing Birthday season. For this purpose, I am prepared to recommend sanction to all reasonable arrangements immediately necessary. All available stock of furniture, vessels and crockery in Government Stores which were hitherto being lent for the use of guests in tents should be utilised for this occasion and only what is absolutely wanted in addition may be purchased at a cost not exceeding Rs.1,000. The General Secretary may go ahead with the purchases and preparations on this understanding.

43 In connection with these recommendations, I wish to bring to the kind notice of the Secretary, the case of Harikar Srinivasa Rao, now in direct charge of Lake View and Sheshadri House buildings. Srinivasa Rao has been in charge of these buildings and the valuable furniture therein for a number of years, and has been working very satisfactorily and --- proved himself trustworthy. A seperate man besides the proposed overseer for the charge of the two buildings --- mentioned above is absolutely ---- necessary. There is no objection however to his working under the -- orders of the Overseer. The question of retaining him in the immediate charge of Lake View and Sheshadri House may therefore be kindly considered further.

44 Srinivasa Rao has had no promotion for a number of years. In view of his hard work, he may, I think, be given a small promotion, say Rs.5/- per mensem.

Enclosure to Draft for approval Flag T.

I submit herewith draft rules for regulating the occupation of the three new buildings noted in the margin recently constructed at Mysore.

(1) Indian Guests' Quarters- New Block.
(2) Travellers' Bungalow- New.
(3) Representative Home.

2. It is proposed to entertain an establishment costing Rs.91 per mensem, for looking after these buildings and to incur an expenditure of Rs.7,000 for furnishing them with the necessary articles of furniture, vessels and crockery. It is also proposed to appoint a Sub Overseer on a salary of about Rs.50 per mensem, to supervise these and the other Government buildings noted in the margin.

(1) Lake View.
(2) Seshadri House.
(3) Padmalaya.
(4) Indian Guests' Quarters - Old Block.

3. The Sub Overseer will be appointed for three years. The appointment will be made from among the Sub-overseers in the Public Works Department who have had some experience of the management of buildings.

4. "Lake View" and Seshadri House, with the valuable furniture therein, are at present in charge of Harikar Srinivasa Rao of the Dewan's establishment. It is proposed to retain his services and to give him a personal allowance of Rs.5/- per mensem, in view of the fact that he has had no promotion for eleven years and has proved himself trustworthy. A special man for the charge of these two buildings is quite necessary. Ordinarily he will work under the Sub Overseer.

13

5. As the proposal for starting a Hotel in the Representative Home for the convenience of Indian visitors coming to Mysore, has been sanctioned, the Representative Home building will be excluded from the operation of the rules now to be issued.

6. As the proposed arrangement refers to important buildings at Mysore, the papers are submitted for favour of His Highness's approval or other orders.

7. The buildings have to be got ready for the Dasara. If it is considered that the rules require revision, such revision may be ordered to be undertaken after the Dasara is over. In the meantime, the rules and arrangements herewith submitted may be graciously approved provisionally.
